Office of the President,
Town Municipal Council,
Bhadravati,

Dated 23d September 1948

From

The President
Town Municipal Council,
Bhadravati

To

The Secretary to Government,
Revenue Department,
Bangalore.

Dear Sir,

Subject - Fixing of the term of the Vice-President for one year

In enclosing herewith an extract of the Resolution of the Municipal Council passed at their Special Meeting held on 13-7-1948 for the above purpose, I beg to state as follows

is to be sent to the Government
The present council was constituted with effect from 1-8-1947 under G.O. No. L 17700-M 41-47-5 dated 30-7-1947. The election of the Vice-President was held on 19-9-1947 and was approved by Government. In this connection it may be stated that at the time of the election of the Vice-Presidency nine of the elected members of the Municipal Council were detained in the jails in connection with Satyagraha Movement in Mysore and the candidate who commanded the confidence of the majority and who was put up for contesting the elections by the majority party was not returned. As a result of this there has been a feeling of dissatisfaction and some of the members gave notice of a no-confidence motion against the present Vice-President. As such a resolution would have created unnecessary bitterness, the no-confidence resolution was not brought on and the present resolution was tabled.

The council have passed this resolution by a majority and have requested the Government to pass orders fixing the term of the office of the Vice-President as one year with effect from the date of reconstitution and to order the holding of election once a year for this office, under Section 23, sub-section 12 of the Town Municipalities Act of 1933. Such a measure will provide opportunities for the other enthusiastic councillors to serve as Vice-Presidents. Such a procedure which is in vogue in many Municipalities. This resolution does not aim at any personality but seeks to provide equal chances for the desiring councillors.

P T O

Even the Present Vice-President can contest the elections. More than all, this measure will create an atmosphere of peace and harmony.

I therefore request that under the circumstances explained - above, and kind orders of Government may be obtained as per the request of the Municipal Council fixing the term of the office of the Vice-President for one year. As the first term was expired on the 30th July 1948, favour of very early orders are requested.

I remain,
Yours faithfully

In enclosing herewith an extract of the resolution of the Municipal Council passed at a special meeting held on 13-7-1948 in the above matter, I wish to state as follows

The present council was reconstituted with effect from 1-8-1947 under G O No L 17700-M1 41-47-5 dated 30-7-47. The election of the Vice-Presidentship was held on 19-9-1947 on which date nine of the elected members of this council were detained in the jails in connection with the Satyagraha Movement. As a result of this the candidate of the majority party who was put up for election was not returned. The council felt that the present vice-president does not enjoy the confidence of the majority and some of the members wanted to table a no-confidence resolution. As I felt that such a move would create unnecessary bitterness, a re-

10

resolution for fixing the term was tabled and has been passed with a good majority. By so fixing the term equal opportunities will be given for all the members for being elected and even the present vice-president can contest the elections. Such a procedure is in force in many of the Municipalities and under Section 12 of sub section 23 of the Town Municipalities Act of 1933 there is a Statutory Provision for so fixing the term. A report was sent to the Government through the Revenue Secretary with this office No MC,18/48-49 dated 23rd September 1948 and as no orders were received so far, he has been addressed again today. With a view to obtain immediate orders I have addressed this letter to you and request that in the interest of continued harmony in the council and early orders fixing the term as per the request of the council may be issued immediately.

Thanking you.

Yours sincerely,

To

Sri R Chennigaramiya,
Minister for Local-Self-Government,
Government of Mysore,
Bangalore.

Subject - Fixing the term of the Vice-President
for one year in the Bhadravati town
Municipality.

With reference to your letter No.L.6434 dated 14-12-48 on the subject noted above and asking for a detailed report in the matter, I write to state that the President, Municipal Council had sent a similar proposal to this office also with his letter No.M.C.18/48-49 dated 21-7-48 along with^a copy of the resolution requesting for a recommendation being made to Government in this behalf. Besides, there was a counter-petition from the Town's people against this move. On consideration, the papers were returned with the observation that the question arises only at the time of reconstitution of the Council

In these circumstances, I am of opinion that the Council may ~~has~~ as well be asked to renew their proposal, if necessary, at the time of the next reconstitution of the Council.

Yours faithfully,
